MANTLE

W H I

Who are we?

From our first work space at Thremhall Park, Stansted to our very latest, 95 Regent Street in Cambridge, we work hard to make sure each one provides the best working environment for you.

But that's not all. We ensure that each space runs smoothly, to offer you a great customer experience. We also constantly monitor our systems to make sure you are offered the latest technology and ensure the interiors are fresh and contemporary. Above all, we continue to act as a responsible corporate business.

Connecting for business and the mind

We organise regular in-house networking events at each of our locations, with speakers from an array of different businesses. Our meet-ups provide an excellent opportunity for personal growth and business development, along with the opportunity to make valuable connections.

MEET

Eating spaces

Set within the heart of our spaces at Thremhall Park, The Officers' Mess and The Bradfield Centre, our coffee shops provide a place to relax away from your working environment.

Enjoy a freshly prepared breakfast, tempting lunch, or choose from a delicious selection of homemade cakes. You'll keep coming back for more!

The Bradfield Centre, Cambridge

Social spaces

Today's modern working practices encourage employees to stretch their legs.

Our spaces offer a refreshing change of scenery with modern indoor and outdoor break-out areas and coffee shops. Enjoy the surrounding areas in your down time – relax or clear some head space with a walk or run.

Kings Court, Stevenage

Lunch time run in Cambridge

Event spaces

Our spaces provide endless opportunities for both indoor and outdoor events throughout the year.

From business exhibitions to seminars, charity fundraisers and our classic and supercar event, 'Pistons at the Park', each occasion is an opportunity to meet colleagues and clients in a fun and relaxed environment.

'Pistons at the Park', Thremhall Park, Stansted

'Go Meet' spaces

We hold regular networking breakfast meetings at our spaces.

Called 'Go Meet', these networking events aim to connect our residents with other business professionals. The events serve great breakfasts and provide an excellent opportunity to meet like-minded businesses.

The Officers' Mess, Duxford

FOR A GREENER WORLD

Commitment to the environment and sustainability

We are committed to creating spaces that are ethical, responsible and sustainable.

From the contractors we work with, to the daily running of our spaces, everything we do is underpinned by a process that considers our impact on the environment.

End-to-end recycling

We look to use products with high recycled content, and aim to increase recycling at all of our spaces with a view to sending zero waste to landfill by 2025.

EV charging

We are looking to roll out EV charging points across all locations by end of 2024.

Refurbish not rebuild

Every new space we create is refurbished, not built from scratch. Creating beautiful new spaces in this way significantly reduces environmental impact.

Smart lighting

LED lighting is installed at all spaces with PIR control to ensure efficient usage. All old, inefficient fluorescent lighting has been removed.

Ethical partnerships

We partner with suppliers and contractors that share our goals to be environmentally responsible and substantially reduce their carbon impact.

Intelligent heating and cooling

We have building management systems in place to efficiently control heating and cooling by intelligent monitoring of occupancy levels and seasonal changes.

Renewable energy

We are looking to roll out PV at all our sites to produce as much renewable energy as possible.

Voltage optimisers and new mechanical plants

Voltage optimisers have saved energy usage by at least 10%, whilst phased replacement of mechanical plants strives to make our spaces as energy efficient as possible.

Supporting our people and local communities

Supporting our members, employees and local community is key to creating a positive and inclusive environment, where people not only feel integrated within our workspaces, but within the wider community too.

We support a number of charities through sponsorship and by offering space at our spaces for meetings and events. We also encourage our staff to be involved with charitable events by giving them a day to get involved in volunteering with our local communities.

And when it comes to refits, local charities and community organisations have first refusal on all furniture and accessories that we no longer need!

UNMISSABLE PERKS

Join our FREE membership benefits programme and take advantage of an exciting range of promotional offers. Open to every Mantle member, the scheme is designed for residents to support one another.

Every month you'll find multiple offers with discounts, vouchers and free trials all specific to your Mantle location.

Visit mantlespace.co.uk to find out more.
