CONFIGURATIONS

Boardroom

Useful for meetings where there is no need for screen, as all delegates face in to centre of table.

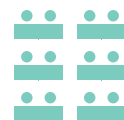

U Shape

As boardroom, but facing front of room. Useful layout for meetings that involve face to face discussions and also screen or flipchart use.

Cabaret

Square or round tables, with delegates seated around them. Useful layout for networking, training or events that call for discussions in groups.

Classroom

Rows of tables facing front of room, two people per table. Useful layout for training sessions.

Theatre

Rows of chairs only, facing front of room. Useful layout for presentations, and training sessions that do not require tables in front of each delegate.

Full-day rate applies for bookings of 6 to 8 hours. Meeting room hire prices include wireless broadband, flipchart and whiteboard, projector and, stationery, telephone handset, and filtered water. Some items are subject to availability. Booking is required. Prices exclude VAT. Terms and Conditions apply.
